

My Works:

| Title | Synopsis |
|---|--|
| 1. Symmetry (summary available) | Plagued by strange dreams and an unexplainable connection to an unfamiliar woman, a man's world is thrown into disarray when he starts receiving warnings of an imminent existential threat linked to his experiences. |
| 2. Asymmetry (summary available) | In the wake of a past lover's suicide, a woman begins to experience mysterious apparitions whilst trying to make sense of his passing. |
| 3. Wicked Crossings | Within an inescapable labyrinthine ghost town, a man assumes multiple identities whilst being chased by unknown assailants. |
| 4. Time Empire or: The Absolute Certainty of Reality | Amidst an epidemic, a dying man tries to find the cure to his illness through reality-bending means. |
| 5. The Picnic (summary available) | After his girlfriend's disappearance in a forest where dreams, memory and reality are intertwined, a man tries to reconnect with her by returning to the area and hopefully vanquishing his demons. |
| 6. The Kettle | Devasted by the murder of his best friend, a physicist makes use of the theory of quantum suicide to propel himself in a quest for justice. |
| 7. A Strange Fascination for Poetry | During a devastating war, a PTSD-stricken soldier unexpectedly returns to his home country to reunite with the love of his life but suspicions on why he's truly back threaten to jeopardize everything he holds dear. |
| 8. Polymorph | An old man on his deathbed reflects on encounters he had with a shape-shifting entity of unknown origin throughout his lifetime. |

| | |
|--|---|
| 9. The Palace of Dr. Remarde (summary available) | Several eccentric characters (and a sheep) find themselves at a party in a palace where the rules of reality take a whimsical turn and where a strange God-like presence seems to be connected to the characters' misfortune. |
| 10. A Princess in Paris (summary available) | In Nazi-occupied Paris, a teenager falls for a peculiar girl hailing from a mysterious kingdom threatened by the Germans. |
| 11. The Reflection | A detective investigates disappearances inside an old power station which serves as a gateway to an oneiric world which exists beyond our plane of reality. |
| 12. Assimilation (summary available) | Within a post-apocalyptic Earth, a man embarks on a quest to unravel the mysteries behind the world's downfall through visions of someone who existed before the apocalypse. |
| 13. Fallen Angels | When a newly colonized planet turns out to be a prison for exiled extraterrestrials, a police woman investigates a series of murders linked to the strange beings who occupy the planet. |
| 14. The Call From Beyond (summary available) | Three tales evolve across different epochs where three explorers attempt to find a mystical city they've only ever encountered in their dreams. |
| 15. Ice Rainbow (summary available) | As the Cold War reaches its zenith, the stories of a Soviet defector, a CIA agent and US Navy pilots unfold as they attempt to uncover a deeply buried secret out within the expanse of the Bering Sea. |
| 16. Fractal | A woman comes into possession of a house that appears to encompass various versions of itself across varying time periods and locations, each carrying its own unique narrative which eventually collide. |

| | |
|--|---|
| 17. Paradise Whirl | On the seemingly idyllic island of Mauritius, several lives weave together in a ballet of violence, addiction, corruption and the many woes which besmirch the country. |
| 18. Lost Harmony | An aspiring singer becomes ensnared in a tapestry of hallucinations and distorted realities, as she falls deeper into the darkest corners of the world wide web. |
| 19. A Few Nights Later | Years after a man spends a fateful night with an enigmatic woman at a hotel, their reunion triggers a complex web involving vampires, mobsters and shady experimenters all related to that mysterious woman. |
| 20. Starless | Millions of years into the future and against incredible odds, a love story unfurls between a woman from a star system in the galactic bulge and a man residing in a rogue planet countless of light-years away. |
| 21. Wandering Soul and The Wizard of Darkness | A group of astronauts journey into outer space to find the key to immortality but what they find instead leads to a battle between existence and nonexistence which reverberates across the fabric of time and space. |
